2. The sculling course is upstream, the finish being at the upstream end of the Regatta enclosure.
3. The Middlesex and Surrey boundaries of the course are defined by marker buoys. Crews leaving the marked course may be disqualified. Boats proceeding to the start must keep to the Surrey side of the buoys.
4. There is a stagger in favour of the Surrey stake boat at the start. The finish will have an equivalent stagger, the amount will vary according to the prevailing conditions.
5. Sculling races from the intermediate start point will receive a small stagger in favour of the Surrey station which will be marked by a buoy on the Middlesex side.
6. When only two lanes are being used, the Middlesex and Centre stations are to be used.
7. Crews must carry colours on their vessels corresponding to their stations, as follows. Surrey – Red, Centre – White, Middlesex – Blue.
8. Any dead heat shall be re-rowed immediately over an approximate half course.
9. Competitors must report to the Raft Steward at least 20 minutes before the advertised race time, and be at the start two minutes before their race time. Failure to appear at the start on time may lead to disqualification.

NOTES TO CAPTAINS

ENTRIES & FEES

Entries should be made on the forms provided and must reach the Racing Secretary at the address below not later than **1.00pm on 9th August**, accompanied by a remittance for the entry fees. No entries will be accepted unless made in writing, with the entry fees enclosed. The Regatta Committee reserves the right to refuse or return or limit any entry.

THE DRAW

The draw will take place at 1.00pm on that day at the address stated, and may be attended by Club Captains or their representatives.

TIMES OF FIRST RACES

A list will be sent to Club Captains. It is planned to race at five minute intervals to avoid the need for Friday night racing. It is therefore essential to keep to this very tight time-table.

MULTIPLE ENTRIES

While every effort will be made to accommodate such entries, they are accepted only on the understanding that it may not be possible for competitors to have a rest period between races. Club Captains are asked to draw the attention of the Racing Secretary to such entries by circling the names.
